

NSC Declassification/Release Instructions on File

25X1

Monday - 22 January 1951

25X1

1. Mr. Houston and I discussed with Mr. Tannenwald, counsel for Averell Harriman, Special Assistant to the President, the problem of certification of [REDACTED] in order to determine the White House position on this case which is currently before the CAB. At Mr. Tannenwald's suggestion, discussed the case further with Mr. Gleason of the NSC for possible action.
